The Montana Department of Agriculture is sponsoring Initial Pesticide Training for persons interested in becoming a commercial or governmental pesticide applicator and/or agricultural pesticide dealer.

The cost of the 4-day training is \$50.00.

This training is designed to help emphasize pesticide safety, laws and regulations, equipment calibration, and hands-on-workshops. The department tries to cover as much pesticide safety information contained in the *Pesticide Applicator Certification Core Manual* as possible. This training session contains a lot of information in a short period of time; therefore you will need to **study the manual(s) prior to attending** in order to pass the exam(s) required for obtaining a pesticide applicator or dealer license.

Information on which training manuals you may need and how to obtain these manual, go to <http://agr.mt.gov/agr/Programs/Pesticides/PDFs/DealerApplicInstr.pdf> or contact our Helena office at 406-444-5400 or [agr@mt.gov](mailto:agr@mt.gov)
